Support the Coachella Valley Autism Society of America

Fifth Annual 'A Walk in The Park' – April 14, 2012

Benefiting the Coachella Valley Autism Society of America

Presented by B.E.S.T. Services, Inc.

On April 14, 2012, I will be participating in a walk to raise awareness for Autism. All proceeds raised will go directly to the Coachella Valley Autism Society of America (CVASA), a non-profit organization. Donations received by CVASA are utilized to support monthly parent support group meetings and their year round social recreation program, offering students with Autism and their siblings an opportunity to participate in events within their community, whereas they may not typically be able to participate. Would you please assist me in supporting such a valuable cause by providing a tax deductible donation of your financial ability. Your support is greatly appreciated on behalf of the entire autism community. If you are interested in participating in the walk the day of the event please follow the Autism Walk link found at www.bestautismservices.com, or by calling 619-442-1271.
